- 9.3 Winners waive their moral rights and grant the Promoter exclusive, unlimited, perpetual and free of charge copyright and usage (in any territory where these entities trade), in all media forms of all material, text and intellectual property created and/or published/posted by the participants in the submission of their competition entry. The Promoter will be entitled to use and edit the intellectual property in any manner and in its sole discretion, for an indefinite period and in any territory where it trades. Participants will not during or after the closing date of the Competition dispute or question such copyright and usage.
